SECTION 4.005

Budget book page 18

The Highway Collections core is comprised of the highway funding the Department is appropriated pursuant to Constitutional Amendment 3 and the amount of the General Revenue needed to fund the motor fuel tax, motor vehicle sales and use tax, and the motor vehicle and driver license fee responsibilities of the Department as set out in statute. Constitutional Amendment 3 limits the amount of highway funding the Department of Revenue may spend to the cost collection up to but not exceeding 3% of the collection of a particular tax or fee collected.

In 1992, in response to motor vehicle theft, Congress passed the Anti-Car Theft Act. The Act was designed to reduce auto theft by making the selling of stolen or damaged cars more difficult. Part of the Act required the establishment of the National Motor Vehicle Title Information System (NMVTIS), a United states Department of Justice information system operated by the American Association of Motor Vehicle Administrators. Missouri implemented NMVTIS on August 31, 2010.

the operator of the NMVTIS system, the American Association of Motor Vehcile Administrators previously received grant funding for a portion of their operating expenses. The grant funding is no longer available and the full operationg costs are now passed on to the states.

The Department of Revenue, through its Mail Service Center and contracted vendors, annually processes more than 12 million pieces of outgoing mail. The Department's outgoing mail volume is the largest in state government. Effective May 31, 2015, the United States Postal Service increased the automated letter rate an average of 2.5 percent, postcard rates 3.6 percent, flat rates 1.9 percent and certified mail rates 4.8 percent. These postage rate increases create a shortfall in the Department's postage budget.

ASSESSMENT MAINTENANCE

SECTION 4.035

Budget book page 338

Section 137.750, RSMo states that the State of Missouri may provide local assessment jurisdictions with up to 60 percent of all costs associated with implementing a biennial reassessment plan. The current assessment maintenance appropriation reimburses at 50 percent of all costs associated with implementing a biennial reassessment plan. This core request will provide reimbursements to counties at the statutory floor of \$3.00 per parcel based upon 2013 parcel count. The actual cost per parcel required to implement the statewide assessment program stands at \$17.63. The core request provides funding to pay 15 percent of the actual cost required to assess property in the state with the balance of 85 percent being borne by local governments.

Property tax revenues in 2013 were approximately \$6.6 billion, of which roughly \$4.9 billion provides funding to local public schools.
